You must notify the Plan Administrator in writing and pay the additional premium due within 31 days of birth for coverage to continue beyond this period. Insured children who are incapable of self-sustaining employment because of mental retardation or physical disability- and who are unmarried and chiefly dependent on the insured member for support and maintenance—may continue coverage past policy age limits, with requested proof. Otherwise, each dependent child's coverage terminates on the premium due date following the date he or she is no longer a dependent.

Rates are based on the attained age of the insured person and increase as you enter each new category. Rates and/or benefits may be changed on a class basis.

NOTE: To pay premium semi-annually or annually, just multiply your quarterly premium by 2 or 4 respectively.

## Eligibility

You are eligible to enroll provided you are an eligible TRICARE recipient, under age 65, and entitled to retired, retainer, or equivalent pay. If you are age 65 or over and ineligible for Medicare, you may apply for the plan by attaching a copy of your Social Security Notice of Disallowance of Benefits to your Enrollment Form.

Coverage is also available for your TRICARE eligible spouse under age 65, and dependent, unmarried children under age 21 (23 if in college). Coverage is extended to adult dependent children who are under age 26 and enrolled in TRICARE Young Adult (TYA) program. Eligible spouses and children of active-duty service members may enroll; TRICARE-eligible widow(er)s and ex-spouses may also enroll.

## Effective Date

Your coverage and that of your covered dependents become effective on the first day of the month following receipt of your Enrollment Form and first premium payment. If, on that day, you or a covered dependent are confined in a hospital, the effective date will be the day following discharge from the hospital.

## Limitations

See coverage information below for mental, nervous, or emotional disorders.

## Pre-Existing Conditions Limitations

Any injury or sickness whether diagnosed or undiagnosed, for which a covered person received medical care or treatment within the 6 month period preceding the effective date of his or her insurance will not be covered until the coverage has been in effect for 6 months. However, new conditions will be covered immediately.

## Nervous, Mental, Emotional Disorder, Alcoholism and Drug Addiction Limits

The coverage provided under the Inpatient Benefit of the TRICARE Supplement Plan for nervous, mental and emotional disorders, including alcoholism and drug addiction, is limited to:

- a) 30 Inpatient treatment days for a Covered Person age 19 or older; or
- b) 45 Inpatient treatment days for a Covered Person under age 19; per Fiscal Year.

This Inpatient limit is based on the number of days TRICARE normally provides each Fiscal Year for such confinements.

In rare instances, TRICARE extends these daily limits.

If this occurs, we will limit the number of days that we provide for such confinement to the lesser of:

- a) the number of days TRICARE pays for such Inpatient treatment during the Fiscal Year; or
- b) 90 Inpatient days per Fiscal Year.

The coverage provided under the Outpatient Benefit of the TRICARE Supplement plan for:

- a) nervous, mental, and emotional disorders; and
  - b) alcoholism and drug addiction;
- is limited to \$500 during any Fiscal Year for all such disorders.
